

Please take a moment to join the Remind for only the bus that picks up and/or drops off your student. If your student rides different buses for AM & PM routes, please join each of those. DO NOT join the Remind for a bus if it is only ridden by your student on the transfer between Waynesville Middle School and Tuscola High School. This system will be used going forward to notify students and parents of bus changes due to inclement weather, route changes and cancellations, etc..

Thank you.

If you have the Remind app on your mobile device, enter the Bus @ code to join. You may also join by texting the Bus @ code to 81010.
